

# **Phonics and Reading Schemes at Abbey Hulton Primary School**

**All phonics in EYFS and KS1 is taught following the Letters and Sounds document. The school has adopted the suggested daily teaching sequence from Letters and Sounds; Revisit and Review, Teach, Practise, Apply. The school uses a variety of resources to support the Four Part Lesson. This is continued into KS2 where necessary.**

**A wide range of reading schemes from Collins, Oxford Reading Tree, PM and Pearsons are used to support early readers: then are used to develop reading into KS2. We also use book banded 'real books' for guided and independent to enhance the enjoyment of reading.**
