

Key Stage 1 Geography

Locational knowledge

- name and locate the world's 7 continents
- name and locate the world's 5 oceans
- name, locate and identify characteristics of the 4 countries of the United Kingdom and its surrounding seas
- name, locate and identify characteristics of the capital cities of the United Kingdom

Place knowledge

- understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom
- understand geographical similarities and differences through studying the human and physical geography of a small area in a contrasting non-European country

Human and physical geography

- identify seasonal and daily weather patterns in the United Kingdom
- the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

use basic geographical vocabulary to refer to:

- key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather
- key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop

Geographical skills and fieldwork

use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage

- use simple compass directions (north, south, east and west) and locational and directional language [for example, near and far, left and right], to describe the location of features and routes on a map
- use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key

use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment
